

Loren Douglass was born and raised in Baltimore to a mother who taught him discipline and integrity and to a father who served in the state senate and taught him about social justice and how to succeed in life. When Loren joined the Boulé he felt an instant connection, and now wants to bring his passion and unique blend of skills and experience to lead our organization during these challenging and unprecedented times.

Loren Douglass understands the Boulé is a trailblazing organization and believes we cannot be complacent and we must step up to face new challenges.

LOREN DOUGLASS
IS READY TO BRING BOLD
LEADERSHIP AS GRAND SIRE
ARCHON-ELECT.

He will collaborate, innovate,
mobilize, and modernize
the Boulé so we can seize the
future while honoring our past.

“I decided to run for Grand Sire Archon-Elect after January 6 when we all saw the Confederate flag being paraded down the halls of Congress. *I knew then that it was time for us to act and unleash the power of the Boulé.*”
